Joint Meeting of the German and Italian Sections of the Combustion Institute Teatro Tasso in Sorrento – Italy 23-26 May 2018

Location	Teatro Tasso in Sorrento Piazza Sant'Antonino 1, 80067, Sorrento, Italy	
Description	<p>A Joint Meeting of the German and Italian Sections of the Combustion Institute, including the 41st Annual Meeting of the Italian Section (ASICI), will take place in Sorrento (Italy), May 23-26, 2018. The venue of the meeting will be the beautiful Teatro Tasso, located in the center of Sorrento, near the renowned Piazza Tasso. The style of the meeting will conform to the informal nature of these events. They are aimed at giving the opportunity for exchange of expertise and discussion between scientists and technologists working in the field of combustion, in all its fundamental and applied aspects, as well as in neighboring fields (pyrolysis, gasification, fuel processing and upgrading). Participation of PhD students and young researchers to the meeting is warmly solicited.</p> <p>The meeting will be opened on the evening of May 23 by a Welcome Cocktail at Circolo dei Forestieri, which is located close to the meeting venue. The scientific program will take place during the whole day of May 24 and 25 and during the morning of May 26, and will consist of two parallel sessions for oral presentations, and of poster presentations. Each morning session will be opened by a plenary lecture (the details will be available later on the ASICI website). Lunches on May 24 and 25, and a social dinner on May 25 (which will be served on the spectacular terrace of Hotel Europa Palace) will be offered to all participants. An award will be given to the best presentations delivered by PhD students or young researchers during the meeting. Instructions and deadlines for submitting the contributions will be available in due time on the ASICI website.</p> <p>Each participant should make his/her own hotel reservation. For those who wish to stay nearby the conference venue, selected hotels will be suggested on the ASICI website which are within walking distance from the meeting venue and which will offer special low prices for the meeting participants. An optional shuttle service will be also available from the Naples International Airport to Sorrento.</p>	
Topics	<ul style="list-style-type: none"> • Reaction Kinetics • Laminar and Turbulent Flames • Solid Fuel Combustion, Pyrolysis and Gasification • Stationary Combustion Systems • Combustion Diagnostics • Formation and Control of Pollutants and Greenhouse Gases • Soot, Nanoparticles, PAH and Other Large Molecules 	<ul style="list-style-type: none"> • Internal Combustion Engines • Gas Turbine Combustion • Catalytic Combustion • Detonations, Explosions and Supersonic Combustion • Fire and Safety Research • Biofuels, Biochemicals and Biorefinery • Fuel Processing and Upgrading • Novel Concepts, Technologies and Systems
Social	Welcome Lunches Social dinner	23May – Circolo dei Forestieri - Sorrento 24, 25 May -Included 25 May - Grand Hotel Europa Palace - Sorrento
